___ Interested in us helping you with options for event embedding budget surplus into registration? Here are some examples:

1. "Wellness Tier" of payment for attendees: an elevated price with an inclusive donation for collective care to anyone who needs it during the event (or to staff, your choice)
2. Donation to Collectivize Care: \$10-100 donation added onto your registration cost for current or future events to feature chiropractic care needed during the event (\$60 gets 30 minutes of specialized care)

___ Dr. Jojo is visualized/announced as "embedded care for organizers" to promote resilience

___ Organizers (up to ___ people) receive one treatment during the weekend

___ Staff (up to ___ additional people) receive one treatment during the weekend

___ Attendees sign up

___ ahead of time

___ at the event

Other considerations:

- Anybody seeking care outside of event commitments can do so at normal rates
- Attendees and staff are encouraged via event announcements to wrassle organizers to schedule and receive care
- Insurance: Dr. Jojo is a cash-only practice and is not paneled with any health insurances
- Liability: Dr. Jojo is covered by hir own insurance*
 - Dr. Jojo extends hir general liability to cover venue and/or event organizers with notice as needed ___

* Dr. Jojo carries general liability and malpractice insurance that covers hir practice in the states in which ze is licensed which are Washington and Oregon at this time
